Subject:- Courtesies to be shown to Honourable Ministers of Provinces when they pay official visits to Delhi.

The undersigned is directed to invite a reference to this Ministry's office memorandum No.20/5/48-Apptt(Spl), dated the 2nd December 1948, regarding the observance of the procedure connected with the visits of the Honourable Ministers of the Dominion Cabinet to provinces. In this connection, it has been represented by certain Provincial Governments that even when previous intimation about the official visits to the Headquarters of the Government of India, of the Honourable Ministers of the Provinces has been given to the Ministries concerned at the Centre, the usual arrangements for their receiption and protection have not always been made. No specific orders about the courtesies to be extended and the scale of protection to be accorded to the Honourable Ministers of Provinces when they visit Delhi officially, exist at present. In order not to give rise to any such complaint in future, it has now been decided, that the following procedure should be followed when the Honourable Ministers of the Provinces, States and Unions of States visit Delhi in connection with the official work;

(a) If a Provincial Minister etc. in charge of more than one portfolio, comes to Delhi to attend an official conference or meeti the Ministry convening such a conference or meeting, should make arrangements to depute any suitable officer to receive and to see off the Honourable Minister at the railway station or the aerodrom as the case may be. In cases where an Honourable Minister travels by road, the officer should call at the Honourable Minister's residence as oon as possible after his arrival.

If more than one Ministry is concerned with the convening of such conference or meeting, they can divide the responsibility between themselves..

(b) If a Provincial Minister etc. is invited for official discussions by one or more Ministries, the same procedure as in (a) should be followed.

(c) If a Provincial Minister visits Delhi on official business of his own accord, the Ministry whom he has informed of his visit, should be responsible for extending courtesies to him.

(d) Courtesies should only be shown to the Provincial Ministers etc. when they visit Delhi in connection with official work and not in connection with the session of Constituent Assembly or p-arty meetings.

2. The Provincial Governments and States and Unions of States are being requested to give timely intimation of the official visits of the Ministers to Delhi to the Ministry concerned along with information regarding the mode of travel, time of arrival, address in Delhi, etc,.

3. The question of protection of the person of the Honourable Ministers of the provinces, States and Unions of States, is separately under consideration and suitable orders to the authorit concerned will be issued shortly.
